Did you know?

Floorwise manufactures 22 different types of carpet gripper: including 20mm, 22mm & 25mm widths, Short, Medium & Long Pins; Wood, Concrete or Dual Purpose Nails & No Nails for Stickdown.

carpet fitting tools: knee kickers

F7006 Roberts GT Knee Kicker

With a 28% wider head, the additional row of pins and nap strip give this kicker much improved gripping power. Extendable in 5 positions from 47-57cm. The smooth dial gives 7 different pin height settings. The thick bumper pad delivers extra comfort, whilst the high contour neck allows it to fit over stretcher head and poles.

F7002 Crain Deluxe Knee Kicker

The power rod construction supports the pinplate for better force transfer. Extendable in 5 positions. The pin dial offers 9 different settings. With an extra thick bumper for comfort and durability.

power stretchers

F7010 Crain Swivel Lock Power Stretcher

The swivel lock stretcher gives you the benefit of both swivel and straight heads. It has a 60° swivel range, which helps with patterned carpet. The stretcher has a built in locking point that will allow you to lock the swivel head in 5 positions. There is a pin depth adjustment bar that will allow for variable pin depth penetration in different thicknesses of carpet. It comes with adjustable locking tubes and folding tail block. Complete with its own wheeled carry case.

F7010E Crain Spare Tube

carpet fitting tools: heat seaming irons

ROBERTS

F7014 Roberts Deluxe Heatbond Carpet Seaming Iron

The first choice for professionals worldwide. The streamlined low profile design allows for easy carpet seaming, with an even heat distribution for thorough melting. Its Teflon coated base makes cleaning fast and easy.

F7020 Straight Axle Seam Roller

To aid carpet seaming, ensuring a better overall contact with carpet backing and the adhesive or heat seaming tape. The spike wheels ensure full width pressure and prevent the carpet from sliding. Roller width 4".

F7020F Flexible Axle Seam Roller

As F7020, but with two pivoting axles. When moved forward and backward, the axles pivot outwardly then inwardly. This action mixes the carpet fibers and pulls the seam edges closer together for less visible seams. The star wheels press the carpet's backing into the hot melt adhesive. Roller width 4".

F7021W Seam Weight 7.5kg

The seam weight has a white perforated base with an air space between the base & steel weight to allow heat & moisture to quickly dissipate.

CRAIN

F7015 110V + F7015 220V Crain Grooved Deluxe Heat Seaming Iron

The Crain Heat Seaming Iron now comes with a self-cleaning Teflon base. It has an air cooled heat shield for the protection of backings, dual indicator lights for 'power on' and 'heating' status, a strong U-shaped handle and riveted iron tray to withstand the demands of site work.

F7015C Carrying Case

F391	Supreme Gold	75mm x 20m 10 x 25m

Offering a range of different specification tapes to suit your various requirements. All designed with aim of giving strength to the seam. Giving you the choice and confidence to select the right tape for the right job!

F7021 Carpet Seam Clamp

These seam squeezers are made with a powerful torsion spring and two grippers that are oriented inwardly to pull and hold the seams together.

Did you know?

Alongside the range of hot melt heat seaming tapes Floorwise produces **10 different types of double sided and single sided** adhesive tapes.

carpet fitting tools: tack hammers

F7023 Super Tack Hammer
Superior quality, perfectly balanced polished steel tack hammer. Brass riveted wooden handle with long head for improved corner work.

F7025A Magnetic Driving Bar
This long-nosed hammering tool extends beneath radiators and other low clearance areas. The hammering tip is magnetised to temporarily hold a nail in position. The forged alloy steel body includes a bonded rubber-like handle that reduces impact vibration.

F7035 Row Separator
This tool will effectively open and spread rows for reduced shearing of carpet nap by the seam cutter. This double-ended tool has a pointed end for cut pile with a wider conical surface behind the point.

F7028 Tack and Moulding Lifter
Curved design with notched ends for easy nail removal.

F7022 Magnetic Tack Hammer
Polished steel construction with magnetic end and comfortable rubber grip.

F7024 Claw Hammer
General purpose hammer with claw for removing nails.

F7027 Stair Tool 3 1/2"
Wide blade for faster tucking.

F7031 Bent Stair Tool 3 1/2"
With curved blade helps tucking under radiators and low clearance areas.

F7034 Speedcatt Tucking Tool
This speedy creasing and tucking tool enables the carpet to be quickly, easily and tidily tucked over the gripper.

F7029 Carpet Awl
For holding and tucking carpet during installation.
